

Button Size Configuration

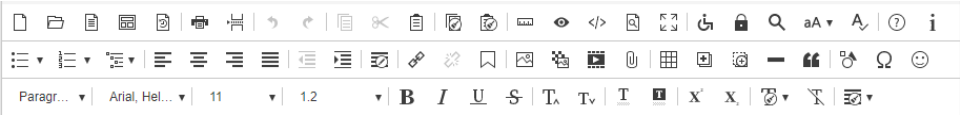

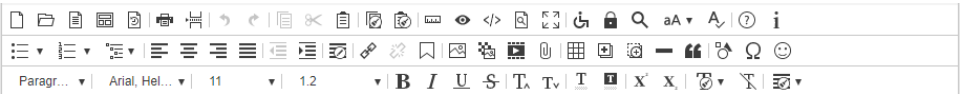

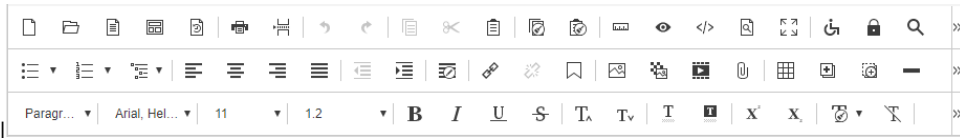

RELEASE 2.3.0 OR ABOVE

Use 'editor.ui.button.size' key to set the size of buttons. (default = 35, Min.= 22, Unit: px)

Even if you adjust the size of button, the size of icons does not change.

```
synapeditor.config.js

{
    'editor.ui.button.size': 35
}
```

35 (Default)	
28	
40
