

Pull-down Menu Configuration

Pull-down Menu Availability

Use "editor.menu.show" key to determine whether pull-down menu should be shown or not (true by default).

synapeditor.config.js

```
{
    'editor.menu.show': true
}
```

Menu Layout

Use "editor.menu.list" key to determine top-level menu items.

synapeditor.config.js

```
{
    'editor.menu.list': [
        'file',
        'edit',
        'view',
        'insert',
        'format',
        'table',
        'tools'
    ]
}
```

Use "editor.menu.definition" key to specify sub-level menu items.

synapeditor.config.js

```
{
    'editor.menu.definition': {
        'file': [
            'new',
            'open',
            '-',
            'template',
            'autoSave',
            'print',
            'pageBreak'
        ],
        'edit': [
